

Assignment of an AVV¹ entry if two chapters of the AVV are to be considered

Blister packaging containing out-of-date medicines may be assigned to the AVV entry **18 01 09** (Medicines other than those mentioned in 18 01 08) as well as to the entry **20 01 32*** (Medicines other than those mentioned in 20 01 31) of the AVV.

The AVV entry **18 01 09** stresses that the waste derives from human or animal health care and/or related research, the entry **20 01 38** points out that the waste originates from the municipal sector.

¹ Abbr. for "Abfallverzeichnis-Verordnung", translated: German Waste Catalogue Ordinance. Entries and designations of the AVV comply with those of the European list of wastes (Decision 2000/532/EC)
